Canadian Progress

The Perfin Study Circle of the BNAPS has prepared a check-list of Canadian perfins in the expectation of compiling a catalog based on the responses to the list. Members who are willing to fill out one of the lists may secure one by writing to George Haley, 727- 14th Ave., SW., Calgary, Alta., Canada. An advertisement in Western Stamp Collector for March 13, 1954 quotes prices on 45 varieties of the OH/MS Canadian perfin officials at prices ranging from 3¢ to \$13.

New Literature

Catalog Progress

A portion of the "A" checklist is distributed with this issue. All members having substantial holdings are urged to send in their report to Mr. Bartleson. Even if you have only a few identifications to contribute, these will be appreciated. The remainder of this checklist may be expected in the next issue.

Blossom Cachet and Slogan Cancel

The Editor's local stamp club is sponsoring a cachet May 1 to 8 for the Blossom Festival held in the Twin Cities of Benton Harbor & St. Joseph, Mich. A slogan cancel will definitely be used in St. Joseph from April 8 and there will probably be one in Benton Harbor.
