New Member Lambert did not wait to join before winning a prize for his entry of Perfins in the Garfield-Perry Exhibit. After receiving some introductory information, he decided to enter and was awarded a gold cup the Hamilton Barnum Memorial Award.

There is an article on a new V.G. perforation in use in the Australian Stamp Monthly for March 1954; author, N.E. Reinitz. The May issue of BNA Topics has in the series by R.J. Woolley, an illustrated story on the official perfins of Canada. Besides treating the history of the two OH/MS types including a list of known perforated issues, it also treats provincial and governmental agency perfins.

Mr. Van Lint reports a perfin on Kiauchau, German office in China

Members desiring to report their holdings of International Harvester types should obtain a check sheet from Mr. Lougee.

The revised listing of B is complete with this issue. D will follow in July. Please report corrections and additions to Misegades as soon as you can.
